Finance Officer

Fusion for Energy (F4E) is hiring a Finance Officer, who will play a key role in developing fusion, the power of the Sun, into a future sustainable energy source.

Reference	Grade	Location	Closing date
F4E/TA/AD6/2025/0291	Temporary Agent AD6	Barcelona, Spain ⁱ	21/11/2025 - 12:00 noon (CET)

Is this job for you?

If you want to make a difference to the future of sustainable energy and would like to work on a multi-billion euro first-of-a-kind development project, this job is for you.

As a member of the Finance Unit of 'Fusion for Energy', the Finance Officer will be playing an active role in collaborating and providing financial expertise at all stages of operations of a financial nature and will act as financial verifier for the full range of transactions.

Core experience in financial verification as a Financial Verifying Agent, providing strategic financial expertise to Procurement, Contracts and technical teams together with experience in EU Financial Regulations and of EU public procurement and verbal and written communication skills are key traits of the successful candidate.

Several hundred industrial partners are currently under contract, designing and manufacturing complex (unique/one-off) components, with an annual expenditure in the order of 1 billion € per year. The permanent improvement of an already high-quality standard throughout the supply chain is of greatest importance to F4E, both from a nuclear safety regulatory perspective, and to ensure confidence that the gigantic systems will perform to its specifications, making ITER a success.

Why F4E?

Fusion for Energy (F4E) is the European Union's organisation for ITER and the Development of Fusion Energy. We are working with industry and laboratories to deliver cutting-edge components to the ITER international fusion energy project. In parallel, we are working on other major projects in the same domain, including the JT-60SA experiment with Japan, a new material testing facility (DONES), and, in the long-term, preparing for the next generation of fusion devices.

F4E is headquartered in Barcelona with offices in Cadarache (France) and Garching (Germany). To deliver the European contribution to ITER, face the fusion challenges, and manage more than 400 professionals, F4E is moving towards a more diverse, flexible, and result-oriented organisation. Its renewed vision is focussed on (1) successful delivery of projects, (2) developing fusion talent and knowledge base for the development of

commercially viable fusion power plants in Europe and (3) paving the way for a transition from research to a competitive European industrial fusion sector.

We are committed to Diversity & Inclusion

Fusion for Energy is an equal opportunities employer and takes care to avoid any form of discrimination. As part of its commitment to diversity, gender equality and geographical distribution, F4E strongly encourages applications from female candidates and applies a policy of equal opportunities. It does not discriminate against anyone on grounds of gender, race, colour, ethnic or social origin, genetic features, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability or sexual orientation. Fusion for Energy offers measures to reconcile professional and private life and will provide reasonable adjustments at the workplace for persons with disabilities.

Your key areas of impact

As a member of the Finance Unit, within the Project Control, Supply Chain and Finance Department, the successful candidate will report to the Head of the Finance Unit. The selected candidate will be responsible for collaborating and providing financial expertise at all stages of operations of a financial nature and will act as financial verifier for the full range of transactions.

The Project Control, Supply Chain and Finance Department provides governance and oversight of programmes as well as matrixed support encompassing procurement, supply chain management, finance, and legal services.

Their role and responsibility include but are not limited to:

- Conduct financial analysis and financial verification for transactions in the areas of operational and/or administrative expenditure.
- Provide expert financial advice on the sound financial management of activities during all stages of the contract (tendering stage, contract negotiation and drafting, implementation, follow-up and close-out).
- Ensure that operational and financial ex ante procedures have been followed according to the assigned functions.
- Continuously contribute to the optimisation of financial procedures.
- Contribute to audit exercises by providing relevant explanations and documentation.
- Cooperate with the Head of Unit to ensure a work environment allowing for trust, collaboration, well-being and team engagement.

What can we offer you?

Life in Barcelona

Barcelona offers professionals and families a high quality of life. It has a year round average temperature of 18°C and complements its cosmopolitan lifestyle and vibrant cultural life with the nature of the Mediterranean coastline and the Pyrenees.

The city is strategically located between the sea and the mountains and it is served by an international airport. Barcelona is a cosmopolitan city with Roman remains, medieval quarters and the most beautiful examples of 20th century modernism and avant-garde architecture.

Salary and benefits

As an indication, the basic monthly salary, for grade AD6 (step 1) is currently €6,758.53.
